

CS 104

Fall 2011

Due: 10/26/11

Quiz #5

Place both the Word document and the App Inventor zip file into a Zip file with your name (like we did for Assignment #2). Attach this zip file to the Quiz #5 assignment on elearning.

1. In “App Inventor and Real-World Motivation,” David Wolber mentions several real-world applications his students created using App Inventor. List the project you found most interesting and explain why. Would you make any improvements to it? Why or why not?

Type your response (1-2 paragraphs).

2. Complete the Hello Purr program in Chapter 1 of the App Inventor textbook. Download your source code (using the zip file method).
